

## 3257 Sihl PosterColor™ X 180 Matte 7.5 mil

### PRODUCT DESCRIPTION

3257 PosterColor™ X 180 is a bright white, cockle-free premium matte paper that can tackle your most demanding inkload, drytime, and shadow detail requirements. The fast dry matte finish allows for vibrant, high quality prints of digital photos or photorealistic reproductions. As a barrier coated economic alternative to photopaper, 3257 can be used for a variety of applications including posters, graphic images, advertising, and indoor signage.
