

INK COMPATIBILITY

3211 EcoBlock, is a 10.5mil 100% blackout, 100% recyclable, C2S paper. It is an excellent choice for various applications, including Point-of-Purchase (POP) displays, posters, hanging signs, playing cards, and indoor banners.

Its advanced adhesive core ensures complete opacity, prevents curling, and adds stiffness, making it a standout in the signage industries. With its thickness and two-sided printability, it delivers unmatched versatility and durability.
